

It's with great sadness that I make this post.

The Kamloops Target Sports Association (KTSA) Archery Director, and proud Kamloops Bowbender, [Allan Brundritt](#) sadly and very suddenly passed away on Saturday August 12.

Al was in his first term as director of archery and was pivotal in volunteering for our 2023 April 3D shoot and the June 3D Provincials, doing much work behind the scenes with those many necessary but often thankless tasks. Al had a passionate vision of helping to grow archery at the KTSA and could often be seen with his organized folder of paperwork, happily writing lists, filling in forms, making plans and talking to as many other archers as he could.

Al can be seen here, getting into the full swing of the St Patrick's Day club shoot in March 2023, that he, his partner Natasha Martin-Cady and family diligently worked to prepare, hand drawing and colouring

targets no less!

Your archery friends of the Kamloops Bowbenders and beyond, will miss you and we would like to extend our heartfelt condolences to Natasha, Elijah, Carlee and family 🏹💚

The KTSA Board and club will miss Al's presence and enthusiasm. He was an amazing asset to our organization. On behalf of the Board I would like to offer our Condolences to Al's family.
